

# RASPBERRY CHILL

## MOCKTAIL

1/2 liter bottle Sierra Mist Sprite or 7-Up, chilled

1/2 liter bottle club soda chilled

1/4 can fruit punch (12 oz.), or pink lemonade, thawed in the fridge

1/4 can pineapple juice (12 oz.), thawed in the fridge

1–2 scoops raspberry sherbet ice cream or any flavor you have available

Fresh or frozen raspberries for garnish (*optional*)

Pineapple slices for garnish canned or fresh (*optional*)

Pre-scoop ice cream and place on a baking dish lined with plastic wrap. Freeze and add ice cream to the drink just before serving so it remains frozen in the punch.

In a punch bowl, combine the 2 juices. Pour in Sierra Mist and club soda and gently stir until combined.

Add pineapple slices and raspberries if using and top with scooped sherbet just before serving. The ice cream will keep it chilled.

**Notes:** Add cold water or ice if desired to control how sweet your punch is. Also, keep in mind, once the ice cream is added, the punch will be sweeter.

*Serves 4*
